Shareholders of the Fund will meet and vote at the Meeting as to the proposal described herein. The Notice of the Meeting and the Proxy Statement with the accompanying proxy card will be mailed to shareholders on or about February 11, 2015.

Important Notice Regarding Internet Availability of Proxy Materials

This Proxy Statement is available free of charge on the Fund’s website at www.proxyvote.com.

Other Methods of Proxy Solicitation

In addition to the solicitation of proxies by Internet or mail, regular employees of KKR Credit Advisors (US) LLC and officers and employees of U.S. Bancorp Fund Services LLC (“US Bancorp”), the Fund’s transfer agent and administrator, may also solicit proxies by telephone, Internet or in person and will not receive any compensation therefor from the Fund. The expenses incurred in connection with preparing the Proxy Statement and its enclosures will be paid by the Fund. The Fund will also reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of the Fund’s Shares (as defined below). The Fund has engaged Broadridge Financial Solutions, Inc. (“Broadridge”), an independent proxy solicitation firm, to assist in the distribution of the proxy materials and the tabulation of proxies. The cost of Broadridge’s services with respect to the Fund is estimated to be approximately \$10,000, plus reasonable out-of-pocket expenses.

The Fund’s most recent annual report, including audited financial statements for the year ended October 31, 2014, is available upon request, without charge, by writing to the Fund at c/o KKR Credit Advisors (US) LLC, 555 California Street, 50th Floor, San Francisco, California 94104, by calling the Fund at 1-855-859-3943, or via the Internet at www.kkrfunds.com.

If the enclosed proxy card is properly executed and returned in time to be voted at the Meeting and has not been revoked, the Shares (as defined below) represented thereby will be voted “FOR” the proposal listed in the Notice, unless instructions to the contrary are marked thereon, and in the discretion of the proxy holders as to the transaction of any other business that may properly come before the Meeting or any postponements or adjournments thereof. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her shares in person or by submitting a letter of revocation or a later-dated proxy to the Fund at the above address prior to the date of the Meetings.

The holders of one third of the Shares entitled to vote on any matter at the Meeting present in person or by proxy shall constitute a quorum at the Meeting for purposes of conducting business. If a quorum is not present at

the Meeting, or if a quorum is present at the Meeting, but sufficient votes to approve any of the proposed items are not received, the Chairman of the Meeting may propose one or more adjournments of the Meeting to permit further solicitation of proxies. A shareholder vote may be taken on one or more of the proposals in this Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. Any such adjournment, if proposed by the Chairman of the Meeting, will require the approval of the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies that they are entitled to vote "FOR" any proposal in favor of such adjournment and will vote those proxies required to be voted "AGAINST" any proposal against such adjournment.

The close of business on February 2, 2015, has been fixed as the "Record Date" for the determination of shareholders entitled to notice of and to vote at the Fund's Meeting and all postponements or adjournments thereof.

The Fund has one class of transferable units of beneficial interest, par value \$0.001 (the "Shares"). The holders of Shares are each entitled to one vote for each full Share and an appropriate fraction of a vote for each fractional Share held on such matters where such respective Shares are entitled to be cast. As of the Record Date, there were 15,255,236 Shares outstanding.

In order that your Shares may be represented at the Meeting, you are requested to vote on the following matter:

**PROPOSAL:
ELECTION OF CLASS I NOMINEE
TO THE FUND'S BOARD OF TRUSTEES**

Election of Class I Nominee (“Nominee”) for the Fund’s Board of Trustees (the “Board”)

The Fund’s Board is currently comprised of four Trustees, three of whom are not “interested persons” of the Fund as that term is defined in the Investment Company Act of 1940 Act, as amended (the “1940 Act”) (the “Independent Trustees”): Michael E. Cahill, Suzanne Donohoe, Tobin V. Levy and Jeffrey L. Zlot. Each Trustee was appointed to the Board by the Fund’s sole initial shareholder in July 2013. At a meeting of the Board held on December 18, 2014, the Board, upon the recommendation of the Board’s Nominating Committee, determined to submit to a vote of shareholders Mr. Cahill’s re-election as an Independent Trustee of the Fund. If elected by shareholders at the Meeting, Mr. Cahill will hold office for a three-year term.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy “FOR” the election of Mr. Cahill. Mr. Cahill has indicated his consent to serve as a Trustee if approved by shareholders at the Meeting. If Mr. Cahill declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

The Fund’s Board is responsible for the management of the business and affairs of the Fund in accordance with the laws of the State of Delaware. The Board appoints officers who are responsible for the day-to-day operations of the Fund and who execute policies authorized by the Board.

The current Trustees of the Fund know of no reason why Mr. Cahill will be unable to serve.

Information about the Nominee’s and each Trustee’s Experience

Provided below is a brief summary of the specific experience, qualifications, attributes or skills of Mr. Cahill that warrant his consideration as Nominee for the Fund’s Board.

Mr. Cahill was selected to join the Board based upon the following: his character and integrity; his service as a member of other boards of directors; his prior experience as an executive of The TCW Group, Inc. and Trust Company of the West, an international investment management firm; and his willingness to serve and willingness and ability to commit the time necessary to perform the duties of a Trustee. No factor, by itself, was controlling. In addition to the information provided in the table included below, Mr. Cahill possesses significant experience as an investment professional. References to the qualifications, attributes and skills of the Trustees are pursuant to requirements of the U.S. Securities and Exchange Commission (“SEC”), do not constitute holding out the Board or any Trustees as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

(4) During the fiscal year ended October 31, 2014, the Fund Complex was comprised of the following registered investment companies: KKR Alternative Corporate Opportunities Fund, KKR Alternative Corporate Opportunities Fund P, KKR Series Trust and the Fund.

The Fund's Board has met six times since its inception. Each Trustee then serving in such capacity attended at least 75% of the meetings of the Board and of any Committee of which he or she is a member.

Board Committees

In addition to serving on the Board, the Independent Trustees also serve on the following committees which have been established by the Board to handle certain designated responsibilities. The Board has designated a chairman of each committee. The Board may establish additional committees, change the membership of any committee, fill all vacancies, and designate alternate members to replace any absent or disqualified member of any committee, or to dissolve any committee as it deems necessary and in the Fund's best interest.

Audit Committee. The members of the Fund's Audit Committee are Michael E. Cahill, Tobin V. Levy and Jeffrey L. Zlot, each of whom meets the independence standards established by the SEC for audit committees and is independent for purposes of the 1940 Act. Tobin V. Levy serves as chairman of the Fund's Audit Committee. The Board has determined that Mr. Levy is an "audit committee financial expert" as that term is defined under Item 407 of Regulation S-K of the Exchange Act. The Fund's Audit Committee operates pursuant to a written charter and meets periodically as necessary. A copy of the Audit Committee's charter is attached hereto as Appendix A. The Audit Committee is responsible for selecting, engaging and discharging the Fund's independent registered public accounting firm, reviewing the plans, scope and results of the audit engagement with the Fund's independent registered public accounting firm, approving professional services provided by the Fund's independent registered public accounting firm (including compensation therefor), reviewing the independence of the Fund's independent registered public accounting firm and reviewing the adequacy of the Fund's internal controls over financial reporting.

The Fund's Audit Committee has met two times since the Fund's inception. None of the members of the Audit Committee is an "interested person" of the Fund.

Nominating Committee. The members of the Fund's Nominating Committee are Michael E. Cahill, Tobin V. Levy and Jeffrey L. Zlot, each of whom meets the independence standards established by the SEC for governance committees and is independent for purposes of the 1940 Act. Jeffrey L. Zlot serves as chairman of the Fund's Nominating Committee. The Fund's Nominating Committee operates pursuant to a written charter and meets periodically as necessary. A copy of the Nominating Committee's charter is attached hereto as Appendix B. The Nominating Committee is responsible for selecting, researching, and nominating trustees for election by shareholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and Fund management. The Nominating Committee will consider proposed nominations for trustees by shareholders who have sent nominations (which include the biographical information and the qualifications of the proposed nominee) to the Chief Executive Officer of the Fund, as the Nominating Committee deems appropriate.

The Fund's Nominating Committee has met two times since the Fund's inception. None of the members of the Nominating Committee is an "interested person" of the Fund.

Board Leadership Structure

The Board is currently composed of four Trustees, three of whom are Independent Trustees. The Fund's business and affairs are managed under the direction of its Board. Among other things, the Board sets broad policies for the Fund and approves the appointment of the Fund's Administrator and officers. The role of the Board, and of any individual Trustee, is one of oversight and not of management of the Fund's day-to-day affairs.

Under the Fund's By-Laws, the Board may designate one of the Trustees as chair to preside over meetings of the Board and meetings of shareholders, and to perform such other duties as may be assigned to him or her by the Board. The Board does not, at the present time, have a lead Independent Trustee; the Board has determined that the compositions of the Audit Committee and the Nominating Committee are appropriate means to address any potential

conflicts of interest that may arise. The Board believes that flexibility to determine its chairman and to recognize its leadership structure is in the best interests of the Fund and its shareholders at this time.

All of the Independent Trustees play an active role on the Board. The Independent Trustees compose a majority of the Board and will be closely involved in all material deliberations related to the Fund. The Board believes that, with these practices, each Independent Trustee has an equal involvement in the actions and oversight role of the Board and equal accountability to the Fund and its shareholders. The Independent Trustees are expected to meet separately (i) as part of each regular Board meeting and (ii) with the Fund's chief compliance officer, as part of at least one Board meeting each year.

The Board believes that its leadership structure is the optimal structure for the Fund at this time. The Board, which will review its leadership structure periodically as part of its annual self-assessment process, further believes that its structure is presently appropriate to enable it to exercise its oversight of the Fund.

Board Role in Risk Oversight

The Trustees meet periodically throughout the year to discuss and consider matters concerning the Fund and to oversee the Fund's activities, including its investment performance, compliance program and risks associated with its activities. Risk management is a broad concept comprising many disparate elements (for example, investment risk, issuer and counterparty risk, compliance risk, operational risk, and business continuity risk). The Board implements its risk oversight function both as a whole and through its committees. The Board has adopted, and periodically reviews, policies and procedures designed to address risks associated with the Fund's activities. In the course of providing oversight, the Board and its committees will receive reports on the Fund's and the Adviser's activities, including reports regarding the Fund's investment portfolio and financial accounting and reporting. The Board also receives a quarterly report from the Fund's chief compliance officer, who reports on the Fund's compliance with the federal and state securities laws and its internal compliance policies and procedures as well as those of the Adviser, Administrator and transfer agent. The Audit Committee's meetings with the Fund's independent registered public accounting firm also contribute to its oversight of certain internal control risks. In addition, the Board meets periodically with the Adviser to receive reports regarding the Fund's operations, including reports on certain investment and operational risks, and the Independent Trustees will be encouraged to communicate directly with senior members of Fund management.

The Board believes that this role in risk oversight is appropriate. The Board believes that the Fund has robust internal processes in place and a strong internal control environment to identify and manage risks. However, not all risks that may affect the Fund can be identified or processes and controls developed to eliminate or mitigate their occurrence or effects, and some risks are beyond the control of the Fund, the Adviser and the Fund's other service providers.

Shareholder Communications

Shareholders may send communications to the Board. Shareholders should send communications intended for the Board by addressing the communication directly to the Board (or individual Trustees) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Trustees) and by sending the communication to either the Fund's office or directly to such Trustee(s) at the address specified for such Trustee above. Other shareholder communications received by the Fund not directly addressed and sent to the Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

Codes of Ethics

The Fund and the Adviser have adopted codes of ethics pursuant to Rule 17j-1 under the 1940 Act that establish procedures for personal investments and restrict certain personal securities transactions. Personnel subject to these codes may invest in securities for their personal investment accounts, including securities that may be purchased or held by the Fund, so long as such investments are made in accordance with the code's requirements. You may read and copy these codes of ethics at the SEC's Public Reference Room located at 100 F Street, NE, Washington, DC 20549. You may obtain information on the operation of the Public Reference Room by calling the SEC at

1-800-SEC-0330. In addition, the codes of ethics are available on the EDGAR Database on the SEC's Internet site at <http://www.sec.gov>. You may also obtain copies of the code of ethics, after paying a duplicating fee, by electronic request at the following e-mail address: publicinfo@sec.gov, or by writing the SEC's Public Reference Section, 100 F Street, NE, Washington, DC 20549.

Audit Committee Reports

The Audit Committee acts according to an Audit Committee charter. Tobin V. Levy serves as Chair of the Audit Committee of the Fund's Board. The Audit Committee is responsible for assisting the Board in fulfilling its oversight responsibilities relating to accounting and financial reporting policies and practices of the Fund, including, but not limited to, the adequacy of the Fund's accounting and financial reporting processes, policies and practices; the integrity of the Fund's financial statements; the adequacy of the Fund's overall system of internal controls; the Fund's compliance with legal and regulatory requirements; the qualification and independence of the Fund's independent registered public accounting firm; the performance of the Fund's internal audit function provided by the Adviser and the Fund's other service providers; and the review of the report required to be included in the Fund's annual proxy statement by the rules of the SEC. The Audit Committee is also required to prepare an audit committee report to be included in the Fund's annual proxy statement as required by Item 407(d)(3)(i) of Regulation S-K. The Audit Committee operates pursuant to a charter that was most recently reviewed and approved by the Fund's Board on December 18, 2014. A copy of the Audit Committee's charter is attached hereto as Appendix A. As set forth in the charter, the function of the Audit Committee is oversight; it is the responsibility of the Adviser to maintain appropriate systems for accounting and internal control, and the independent auditors' responsibility to plan and carry out a proper audit. The independent registered public accounting firm is ultimately accountable to the Fund's Board and Audit Committee, as representatives of the Fund's shareholders. The independent registered public accounting firm for the Fund reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on December 18, 2014, the Audit Committee reviewed and discussed with management of the Fund and the independent registered public accounting firm, Deloitte & Touche LLP ("Deloitte"), the audited financial statements of the Fund as of and for the fiscal year ended October 31, 2014, and discussed the audit of such financial statements with the independent registered public accounting firm.

The Audit Committee has: (a) reviewed and discussed the Fund's audited financial statements with the management of the Fund; (b) discussed with the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T; (c) received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, as adopted by the PCAOB in Rule 3600T, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the Fund's independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent registered public accounting firm, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the charter and those discussed above, the Audit Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended October 31, 2014.

APPENDIX A

AUDIT COMMITTEE CHARTER FOR KKR INCOME OPPORTUNITIES FUND

I. Audit Committee Membership and Qualifications

The Audit Committee (the “**Audit Committee**” or “**Committee**”) of KKR Income Opportunities Fund (the “**Trust**”) shall consist of at least two members appointed by the Boards of Trustees of the Trust (the “**Board**”). The Board may replace members of the Audit Committee for any reason.

No member of the Audit Committee shall be an “interested person” of the Trust, as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the “**Investment Company Act**”), nor shall any member receive any compensation from the Trust except compensation for service as a member of the Board or a committee of the Board. Each member of the Audit Committee must also meet the independence and experience requirements as they may be adopted and modified from time to time by the New York Stock Exchange (the “**NYSE**”). No member of the Committee may serve on the audit committees of more than three public companies (including the audit committees of those funds that are registered pursuant to the Investment Company Act and managed by KKR Credit Advisors (US) LLC (the “**Adviser**”), with such audit committees deemed for these purposes to be the audit committee of a single public company), unless the Board determines that such simultaneous service would not impair the ability of such member to serve on the Committee effectively. If such a determination is made by the Board, the listed Trust must disclose it on the fund’s website, in its annual proxy statement (if any), or in the fund’s annual report.

Each member of the Audit Committee must be financially literate, as that qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable time after appointment to the Audit Committee. The Board may presume that an “audit committee financial expert” as defined in Item 3 of Form N-CSR (“**ACFE**”) satisfies the requirement in the foregoing sentence. The Board shall determine annually whether any member of the Audit Committee is an ACFE. The Committee’s composition shall meet such other regulatory requirements relating to audit committees established from time to time by the U.S. Securities and Exchange Commission and any other applicable governmental entity or self-regulatory organization or law to which the Trust are subject.

II. Purposes of the Audit Committee

The purposes of the Audit Committee are:

- A. to oversee the accounting and financial reporting processes of the Trust and its internal control over financial reporting and, as the Committee deems appropriate, to inquire into the internal control over financial reporting of certain third-party service providers;
- B. to oversee, or, as appropriate, assist Board oversight of, the quality and integrity of the Trust’s financial statements and the independent audit thereof;
- C. to oversee, or, as appropriate, assist Board oversight of, the Trust’s compliance with legal and regulatory requirements that relate to the Trust’s accounting and financial reporting, internal control over financial reporting and independent audits;
- D. to approve prior to appointment the engagement of the Trust’s independent auditors and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Trust’s independent auditors;
- E. to act as a liaison between the Trust’s independent auditors and the full Board;
- F. to assist Board oversight of the Trust’s internal audit function (if any).

The independent auditors for the Trusts shall report directly to the Audit Committee.

III. Duties and Powers of the Audit Committee

To carry out its purposes, the Audit Committee shall have the following duties and powers:

A. to approve prior to appointment the engagement of auditors to annually audit and provide their opinion on the Trust's financial statements, to recommend to those Board members who are not "interested persons" (as that term is defined in Section 2(a)(19) of the Investment Company Act) the selection, retention or termination of the Trust's independent auditors and, in connection therewith, to review and evaluate matters potentially affecting the independence and capabilities of the auditors. In evaluating the auditor's qualifications, performance and independence, the Audit Committee must, among other things, obtain and review a report by the auditor, at least annually, describing the following items:

1. all relationships between the independent auditor and the Trust, including each non-audit service provided to the Trust, consistent with Independence Standards Board Standard No. 1;
2. any material issues raised by the most recent internal quality control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and
3. the audit firm's internal quality-control procedures.

B. to approve prior to appointment the engagement of the auditor to provide other audit services to the Trust or to provide non-audit services to the Trust, any of its investment advisers or any entity controlling, controlled by, or under common control with such an investment adviser ("adviser affiliate") that provides ongoing services to the Trust, if the engagement relates directly to the operations and financial reporting of the Trust;

C. to develop, to the extent deemed appropriate by the Audit Committee, policies and procedures for pre-approval of the engagement of the Trust's auditors to provide any of the services described in B above;

D. to consider the controls applied by the auditors and any measures taken by management in an effort to assure that all items requiring preapproval by the Audit Committee are identified and referred to the Committee in a timely fashion;

E. to consider whether the non-audit services provided by the Trust's auditor to the Trust's investment adviser(s) or any adviser affiliate that provides ongoing services to the Trust, which services were not preapproved by the Audit Committee, are compatible with maintaining the auditor's independence;

F. to review the arrangements for and scope of the annual audit and any special audits;

G. to review and approve the fees proposed to be charged to the Trust by the auditors for each audit and non-audit service;

H. to consider information and comments from the auditors with respect to the Trust's accounting and financial reporting policies, procedures and internal control over financial reporting (including the Trust's critical accounting policies and practices), to consider management's responses to any such comments and, to the extent the Audit Committee deems necessary or appropriate, to promote improvements in the quality of the Trust's accounting and financial reporting;

I. to consider information and comments from the auditors with respect to, and meet with the auditors to discuss any matters of concern relating to, the Trust's financial statements, including any adjustments to such statements recommended by the auditors, to review the auditors' opinion on the Trust's financial statements and to review and discuss with management and the independent auditor the Trust's annual audited financial statements and other periodic financial statements, including any disclosures under "Management's Discussion of Fund Performance";

J. to resolve disagreements between management and the auditors regarding financial reporting;

K. to consider any reports of difficulties that may have arisen in the course of the audit, including any limitations on the scope of the audit, and management's response thereto;

L. to review with the Trust's principal executive officer and/or principal financial officer in connection with required certifications on Form N-CSR any significant deficiencies in the design or operation of internal control over financial reporting or material weaknesses therein and any reported evidence of fraud involving management or other employees who have a significant role in the Trust's internal control over financial reporting;

M. to establish, or confirm the establishment of, procedures for the receipt, retention and treatment of complaints received by the Trust relating to accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the Trust, its investment adviser, administrator, principal underwriter, or any other provider of accounting related services for the Trust of concerns about accounting or auditing matters, and to address reports from attorneys or auditors of possible violations of federal or state law or fiduciary duty;

N. to review in a general manner, but not as a committee to assume responsibility for, the Trust's processes with respect to risk assessment and risk management;

O. to set clear policies relating to the hiring by entities within the Trust's investment company complex¹ of employees or former employees of the independent auditors;

P. to investigate or initiate an investigation of reports of improprieties or suspected improprieties in connection with the Trust's accounting or financial reporting;

Q. to report its activities to the full Board on a regular basis and to make such recommendations with respect to the above and other matters as the Audit Committee may deem necessary or appropriate;

R. to perform such other functions and to have such powers as may be necessary or appropriate in the efficient and lawful discharge of the powers provided in this Charter;

¹ "Investment company complex" includes:

- the fund and its investment adviser or sponsor;
- any entity controlling, controlled by or under common control with the investment adviser or sponsor, if the entity: (i) is an investment adviser or sponsor; or (ii) is engaged in the business of providing administrative, custodian, underwriting or transfer agent services to any investment company, investment adviser or sponsor; and
- any investment company, hedge fund or unregistered fund that has an investment adviser included in the definition set forth in either of the two bullet points above.

An investment adviser, for these purposes, does not include a sub-adviser whose role is primarily portfolio management and that is subcontracted with or overseen by another investment adviser. Sponsor refers to the sponsor of a unit investment trust.

S. review and discuss the Trust's audited annual financial statements and unaudited semiannual reports with the Adviser and, in the case of the audited financials, the independent auditors, including the Trust's disclosures under "Management's Discussion of Fund Performance";

T. consider and, if appropriate, recommend the publication of the Trust's annual audited financial statements in the Trust's annual report in advance of the printing and publication of the annual report, based on its review and discussions of such annual report with the independent auditors, the Trust's officers and the Adviser; and (if applicable) prepare the audit committee report required to be included in the Trust's proxy statement for its annual meeting of shareholders (if such meeting is required by law);

U. at least annually, obtain and review a report by the Trust's independent auditors describing: (i) the independent auditors' internal quality-control procedures; (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with such issues; and (iii) (to assess the independent auditors' independence) all relationships between the independent auditor and the Trust;

V. discuss in general the Trust's periodic earnings releases, as well as any financial information and earnings guidance provided to analysts and rating agencies;

W. discuss policies with respect to risk assessment and risk management;

X. review hiring policies of the Adviser and the Trust, if any, for employees and former employees of the Trust's independent auditors; and

Y. conduct an annual self-assessment in connection with the Board self assessment.

The Audit Committee shall have the resources and authority appropriate to discharge its responsibilities, including appropriate funding, as determined by the Audit Committee, for payment of compensation to the auditors for the purpose of conducting the audit and rendering their audit report, the authority to retain and compensate special counsel and other experts or consultants as the Audit Committee deems necessary, the authority to obtain specialized training for Audit Committee members, at the expense of the Trust, as appropriate, and ordinary administrative expenses of the Audit Committee.

The Audit Committee may delegate any portion of its authority, including the authority to grant pre-approvals of audit and permitted non-audit services, to a subcommittee of one or more members. Any decisions of the subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next regularly scheduled meeting.

IV. Role and Responsibilities of the Audit Committee

The function of the Audit Committee is oversight; it is management's responsibility to maintain appropriate systems for accounting and internal control over financial reporting, and the auditor's responsibility to plan and carry out a proper audit. Specifically, the Trust's management is responsible for: (i) the preparation, presentation and integrity of the Trust's financial statements; (ii) the maintenance of appropriate accounting and financial reporting principles and policies; and (iii) the maintenance of internal control over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations. The independent auditors are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and the terms of their engagement letter. Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of the Trust's service providers, including the auditors.

Although the Audit Committee is expected to take a detached and questioning approach to the matters that come before it, the review of a Trust's financial statements by the Audit Committee is not an audit, nor does the Committee's review substitute for the responsibilities of the Trust's management for preparing, or the independent auditors for auditing, the financial statements. Members of the Audit Committee are not full-time employees of the Trust

and, in serving on this Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures.

In discharging his or her duties, a member of the Audit Committee is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (i) one or more officers of the Trust whom the trustee reasonably believes to be reliable and competent in the matters presented; (ii) legal counsel, public accountants, or other persons as to matters the trustee reasonably believes are within the person’s professional or expert competence; or (iii) a Board committee of which the trustee is not a member.

V. Operations of the Audit Committee

A. The Audit Committee shall meet on a regular basis and is empowered to hold special meetings as circumstances require. The chair or a majority of the members shall be authorized to call a meeting of the Audit Committee and send notice thereof.

B. Audit Committee members may attend Committee meetings telephonically (although they are encouraged to attend in person), and the Committee may act by written consent, to the extent permitted by law and by the Trust’s By-Laws.

C. The Audit Committee shall have the authority to meet privately and to admit non-members individually by invitation.

D. The Audit Committee shall regularly meet, in separate executive sessions, with representatives of Trust management, the Trust’s internal auditors or other personnel responsible for the Trust’s internal audit function (if any) and the Trust’s independent auditors. The Committee may also request to meet with internal legal counsel and compliance personnel of the Trust’s investment adviser and with entities that provide significant accounting or administrative services to the Trust to discuss matters relating to the Trust’s accounting and compliance as well as other Trust related matters.

E. The Audit Committee shall prepare and retain minutes of its meetings and appropriate documentation of decisions made outside of meetings by delegated authority.

F. The Audit Committee may select one of its members to be the chair and may select a vice chair.

G. A majority of the members of the Audit Committee shall constitute a quorum for the transaction of business at any meeting of the Committee. The action of a majority of the members of the Audit Committee present at a meeting at which a quorum is present shall be the action of the Committee.

H. The Board shall adopt and approve this Charter and may amend it on the Board’s own motion. The Audit Committee shall review this Charter at least annually and recommend to the full Board any changes the Committee deems appropriate.

I. The Audit Committee shall evaluate its performance at least annually.
